DESCRIPTION

BUZZOFF is the Aurodhea lotion specifically formulated to repel insects and prevent their annoying bites. With a pleasant woody fragrance, this spray owes its natural effectiveness to the GMO-free and sustainably sourced *Catalpa bignonioides* leaf extract. Effective with just one application against multiple insect species, BUZZOFF repels flies, mosquitoes and lice. Additionally, it is enriched with an anti-mosquito active ingredient that boasts in vivo-tested efficacy against tiger mosquitoes, offering up to 60% protection for up to 8 hours after application. Suitable for both human and pet care, it provides a plant-based alternative to chemical treatments. With high skin compatibility, this product is ideal for children and people with sensitive skin.

DERMATOLOGICALLY TESTED

HOW TO USE

Spray onto the desired areas. Reapply frequently and generously with an interval of at least one hour. Avoid contact with eyes. Do not apply on the face.

WARNING

Avoid contact with eyes. If in eyes, rinse thoroughly and get medical attention, if necessary. Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources, flames and sparks. Do not use during pregnancy, breastfeeding and in children under 5 years of age. Do not apply on the face. After application, avoid direct sun exposure.

INGREDIENTS (INCI)

Aqua, alcohol denat., PEG-40 hydrogenated castor oil, PPG-26 buteth-26, glycerin, trideceth-9, catalpa bignonioides leaf ethylhexylglycerin, phenoxyethanol, lactic acid.

PAO DEADLINE
