## DESCRIPTION

Aurodhea Peel-off Face Mask for mature skin moisturizes and exfoliates the skin while counteracting skin ageing. Avena Strigosa provides deep, lasting hydration –up to 24 hours– and has repairing properties. Galactoarabinan is a polysaccharide that minimizes fine lines, gently exfoliates and prevents transepidermal water loss (TEWL). Porphyridium Cruentum has a tensor and film-forming action, while Silk Proteins act as a skin conditioner. Finally, Hyaluronic Acid keeps the skin supple, resistant and moisturized, while counteracting ageing. DERMATOLOGICALLY TESTED CPNP REFERENCE: 3419400

## HOW TO USE

Apply a thin even layer to dry face after thoroughly cleansing with warm water, avoiding eye and lip contour. Leave on for 20 to 25 minutes, then gently peel off, from the forehead towards the centre of the face. Rinse off any residue with lukewarm water. Apply Aurodhea toner for delicate and sensitive skin to complete the cleansing routine. Repeat 2-3 times weekly.

## WARNING

If in eyes, rinse thoroughly and get medical attention, if necessary. Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat.
