Sanipaw - Odour remover

CODE

BH0226

UFI CODE

UAXV-RA08-P00D-35EX

FORMAT

750 mL

DISPOSAL INDICATIONS & CERTIFICATIONS

DESCRIPTION

Sanipaw is a concentrated detergent that, featuring a formula enriched with an anti-odour molecule, totally cleans and deodorizes surfaces and spaces where pets live and rest. Its effective odour-removing action, in synergy with the removal of organic residues, which are one of the main sources of bacterial proliferation and bad odours, guarantees a healthy environment and leaves a pleasant scent. The product does not leave streaks or stains and is ideal for floors, tiles, doghouses, kennels, beddings, cots, worktops, grooming and animal transport equipment and all washable surfaces.

HOW TO USE

Spray this ready-to-use product generously and evenly on all the surfaces to be treated, without rinsing. It is possible to dilute the product by pouring approximately half a glass, about 50-60 ml, into a bucket with water.

WARNING

DANGER

Harmful to aquatic life with long lasting effects.
Contains: Terpinolene. May cause an allergic reaction.

Avoid release to the environment.

OTHER INFORMATIONS

Notes: Read the instructions for use and follow the warnings. No responsibility can be attributed to the supplier for the results obtained and/or any damage to property or persons resulting directly or indirectly from improper or non-compliant use, as the method of application is beyond his control and/or verification. Always check the integrity of the product and its suitability for the specific case after prior testing.
