### DESCRIPTION

Aurodhea Ichthammol Ointment is the perfect remedy to facilitate the healing of minor skin imperfections and promote the expulsion of toxins and impurities. Ideal for pimples, abscesses, superficial ulcerations and sweat gland inflammations, it is characterised by a high sulphur content. Known as the "beauty mineral", this substance stands out for its exfoliating, astringent and healing properties.

DERMATOLOGICALLY TESTED

CPNP REFERENCE: 3202522

### HOW TO USE

Apply a small amount of ointment 2 or 3 times a day directly on the blemish to be treated, then cover with a sterile gauze dressing.

---

## **WARNING**

Avoid sun exposure after application. Prolonged use may cause irritation or sensitisation. Has a strong characteristic odour and may stain clothes. Should not be applied to nasal mucous membranes, lips and eyes. Avoid use during pregnancy and breastfeeding. Use of ichthammol is incompatible with acids, alkalis, iron salts and alkaloids, so if you are taking any drug containing them, discontinue use of the product. If in eyes, rinse thoroughly and get medical attention, if necessary. Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources.

---
