DESCRIPTION

Brillhome "Pure Black" is a detergent for dark and black fabrics that has been specially formulated to prevent the fading of dark colors. Its action is effective on stains but gentle on clothes: wash after wash, it preserves and brightens the original dark colors. Its formula is enriched with special enzymes that remove the pilling that gives clothes an unattractive faded look. Its phosphorus-free formula has a very high content of washing substances, which is why it requires only half the usual washing dosages.

FRAGRANCE

Absolutely Black PCW00370 of GRC

OLFACTORY PYRAMID

Head Notes: New Freshness / Lilac / Peach
Heart Notes: Peony / Rose / Gardenia
Base Notes: White Musk / Amber / Sweet Woods

HOW TO USE

Use the product following the indicated dosage. Soft water/ moderately hard water: - for 4-5 kg of laundry use 20 mL of product (the equivalent of a capful without completely filling it); - for 6-8 kg of laundry use 30 mL of product (the equivalent of a capful and a half); - for more than 8 kg of laundry use 40 mL of product (two capfuls). Very hard water: - for 4-5 kg of laundry use 25 mL of product (the equivalent of a capful to completely fill it); - for 6-8 kg of laundry use 40 mL of product (a capful and a half); - for more than 8 kg of laundry use 50 mL of product (two capfuls). For very stubborn stains, such as ink stains, waterproof make-up, etc., it may be necessary to pre-treat the affected area before washing. It is advisable to wash new clothes separately.
