## WARNING

Keep out of reach of children under 3 years of age. Store at room temperature, in a dry place and away from heat sources, direct light, and cold areas. If the product solidifies, warm it gently in a water bath without affecting its properties. Any sediment at the bottom of the bottle and its characteristic odour are due to the natural origin of the ingredients. Shake well before use. Avoid release to the environment. Avoid use during pregnancy (especially in the first trimester) and breastfeeding. Avoid contact with eyes and mucous membranes. Before use, perform a patch test on the inside of the elbow. In case of allergic reactions, discontinue use immediately and consult a doctor. Avoid application before sun exposure, as it may cause photosensitivity. Excessive use may be comedogenic. For external use only. Do not ingest.
