DESCRIPTION

The Aurodhea Day Face Cream with Donkey Milk is a beauty elixir designed to enhance skin elasticity and radiance from the very first applications. Formulated to support the skin's hydrolipidic balance, this face cream is suitable even for the most sensitive skin, as well as for those prone to eczema and psoriasis. Featuring antioxidant properties, its rich formula contains: -Donkey Milk, which combats free radicals and promotes tissue regeneration; -Hyaluronic Acid, which helps plump, regenerate and moisturise the skin; -Apple Extract, which helps brighten the skin; -Cucumber Extract, which provides a toning effect; -Lentil Extract, which stimulates collagen production; -Passion Flower Extract, which helps soothe and minimize redness, relieving discomfort associated with dry skin and couperose. DERMATOLOGICALLY TESTED CPNP REFERENCE: 3234156

HOW TO USE

Apply to thoroughly cleansed, dry skin in the morning. Massage in circular motions until fully absorbed. Avoid the eye contour. Perfect as a make-up base.

WARNING

Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources.
