DESCRIPTION

Give your hair a boost of strength and a scented cuddle with Aurodhea Lush Cloud "Blooming Musk". Its innovative formula, enriched with the exclusive PUREYOUTH™ complex, glycerin and wheat proteins, helps strengthen your hair from root to tip. This scented hair mist wraps your hair in a protective layer, seals cuticles and improves elasticity, helping to prevent dryness and reduce breakage. Its antioxidant and protective action helps prevent sun and seawater damage while counteracting colour fading caused by frequent washing or sun exposure. Plus, its anti-limescale effect boosts shine, leaving your hair radiant. Spray Lush Cloud over the lengths to pamper your hair and wrap it in an irresistible floral, fruity and musky fragrance.
