### DESCRIPTION

#### PROPERTIES AND BENEFITS

A blend of essential oils with a calming action that helps relieve stress, alleviate anxiety and relax the mind. This synergy of essential oils, formulated in our laboratories, enhances their respective beneficial effects by blending them in precise concentrations, which helps to calm the spirit and facilitate sleep

Mandarin Essential Oil is known for its purifying, antispasmodic, relaxing and sedative properties; Lavandin Essential Oil is an excellent calming and sedative; lastly, Ylang Ylang Essential Oil stands out for its numerous relaxing and aphrodisiac properties.

#### DERMATOLOGICALLY TESTED

CPNP REFERENCE: 4828438

## HOW TO USE

### USE AND PRACTICAL ADVICE

Topical use: apply 1-2 drops onto the temples to relieve nervous tension. It can also be applied to neck, wrists and any other part of the body where its release gives a sense of peace and well-being.

Massage lotion: in case of pain and muscular tension, combine a few drops with other vegetable carrier oils or body creams for massage.

Cleansing solution: add 3-4 drops to a shower gel with refreshing or toning action.

Facial cleanser: dilute a few drops in a facial cleanser to give tone and radiance to the dermis.

Environmental diffusion: add 6-7 drops to 300 ml of water in the tray of the radiator. Alternatively, mix 200 g of potpourri with a few drops of essential oil, dosing depending on the pleasantness of the result.

---

## WARNING

Contraindicated during pregnancy, breastfeeding and in children under 3 years of age. Not recommended in cases of convulsive disorders, epilepsy, hyperthyroidism or allergies to essential oils. Avoid prolonged use; do not use within 24 hours before sun exposure as it is photosensitising. For external use only. Do not ingest. Avoid contact with eyes and mucous membranes. If in eyes, immediately rinse with water and get medical attention, if necessary. Before use, perform a test on the crook of the elbow to check the tolerability of the oil. Do not spray inside steam inhalers or nebulisers, to avoid clogging the machinery. Store in a cool, dry place away from heat sources. Any slight colour variation is an indication of the naturalness of the components and does not affect the quality of the product. Do not release into the environment.
