### DESCRIPTION

Multifunctional and intensive lip treatment with a healing action. Its creamy texture provides immediate comfort, performing a protective action on the lips and enhancing their natural beauty. Its rich, vegan, paraben-free and cruelty-free formula makes lips pleasantly smooth and soft, ensuring long-lasting moisture. With its buildable colour, perfect for warm undertones, glossy finish and irresistible Vanilla scent, it gives the lips a healthy, well-groomed appearance. Its formula-treatment is rich in high-performance ingredients, carefully selected to soothe, moisturise and protect the lips with every application. "Cosmetic Honey", with its film-forming properties, provides comfort and protects against pollution and other external agents responsible for premature ageing. Hemp Seed Oil, rich in skin-like fatty acids, promotes skin regeneration and collagen production, performing a softening, nourishing and soothing action. In addition, Shea Butter, known for its emollient properties, helps maintain the right level of moisture, giving the skin firmness and elasticity.

---

## HOW TO USE

Apply the product starting from the centre of the upper lip towards the outer corners; then continue applying to the lower lip. Apply multiple layers, adjusting the colour intensity according to the desired effect.

---

## WARNING

Not for children under 3 years of age. Keep away from direct light and heat sources. Close after use. Avoid release to the environment. Avoid use in case of mouth infections. For personal use.

---
