DESCRIPTION

Sculpt & Lift by MoniAmori is a matte-finish stick with buildable coverage, designed to sculpt facial features and redefine contours with just a few simple steps. Its creamy texture and stick format ensure smooth application, precision and long-lasting results. The vegan, paraben-free and cruelty-free formula is enriched with precious ingredients. Oat Kernel Oil stands out for its absorbent, soothing and protective properties. Rich in ceramides and phospholipids, it helps support the skin barrier and slow down the ageing process. Oat Kernel Flour enhances the formula with its brightening, mattifying and smoothing effect. Aloe Vera, with its calming and soothing action, protects, moisturises and promotes skin renewal. The product has a delicate Peony scent.
