DESCRIPTION

Aurodhea Purifying Face Gel with Salicylic Acid is a specific treatment for impure and acne-prone skin, formulated to work on skin blemishes and to combat pimples and redness. It fights the bacteria responsible of skin blemishes and pimples, purifying and disinfecting the skin. Enriched with Aloe Vera, it counteracts skin irritations and promotes wound healing. Burdock Extract, contained in the formula, is characterised by its purifying and sebum-regulating properties. Suitable for adolescents, people with acne-prone skin, during periods of stress, fatigue, hormonal changes or in hot, humid weather, the purifying face gel also has a soothing and refreshing function.

HOW TO USE

Apply onto the face in the morning and/or evening, after cleansing. Do not apply before sun exposure, as it is photosensitising. During treatment, it is recommended to apply a high-protection sun cream (SPF 30 or SPF 50).

WARNING

If in eyes, rinse thoroughly and get medical attention, if necessary. Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat. The use of salicylic acid is absolutely contraindicated in individuals with known hypersensitivity to salicylates. Products containing salicylic acid should not be used in children under 3 years of age.
