DESCRIPTION

Aurodhea Aloe Vera 98% First Aid Spray is a soothing and calming product that protects the skin and offers a first line of defence against skin infection, inflammation and irritation caused by hair removal. It is suitable for treating minor cuts, scratches, burns, solar erythema, insect bites and irritations due to stress (such as acne). Thanks to its spray format, the product is easy to apply even when the skin is too irritated and sore to touch. The balanced pH makes it suitable for all skin types, even the most sensitive ones. Its formula contains no perfumes, essential oils or dyes so as to minimize allergy risks.

DERMATOLOGICALLY TESTED

HOW TO USE

Spray onto the affected area and possibly massage to accelerate the absorption.

WARNING

If in eyes, rinse immediately with water and seek medical advice if necessary. Do not release into the environment. Avoid falls, shocks and inappropriate handling that might cause spillage of the product. Store in a cool, dry place away from heat sources.
