DESCRIPTION

Chopet Dog Shampoo gently cleanses and ensures a shiny coat. Its formula contributes to a more beautiful and healthy coat, thanks to its moisturizing and anti-parasitic action. In fact, Chopet Shampoo helps make your pet's coat softer and more protected, counteracting the onset of unpleasant odours. It contains Aloe Vera, which moisturizes the coat and soothes the skin. Neem Oil in it stands out for its antibacterial and antiparasitic properties, which help keep mites and ticks away. With a pH value between 6 and 6.5, it is suitable for all breeds. Not for white coats. DERMATOLOGICALLY TESTED

HOW TO USE

Use sparingly, according to the size of your pet, twice a month approximately. Apply to the wet coat of your dog, spread it well and rinse with lukewarm water. Repeat if necessary. Dry gently and protect your pet from air flow.

WARNING

Avoid use on dogs with white coat. If in eyes, rinse immediately with water and get medical attention, if necessary. Avoid release to the environment. Avoid falls, shocks and inappropriate handling that might cause spillage of the product. Store in a cool, dry place away from heat sources.
