NAME OF THE PRODUCT

Extra Volume Mascara

CODE

MKMS05

FORMAT

9,000 mL

DISPOSAL INDICATIONS & CERTIFICATIONS

DESCRIPTION

Our Extra Volume Mascara extends the lashes and ensures an extreme curl in a single gesture, while also bringing a strong volume-enhancing effect. Its formula is enriched with a unique blend of natural waxes of varying hardness, such as Carnauba Wax and Beeswax, for an 'extra-volumised' look. Quick-drying, thanks to the presence of volatile substances, this mascara also contains film-forming agents, which give the formula a long-lasting hold, and Panthenol, which thickens the lashes and improves their shine. Very easy to apply, it delivers an intense and clump-free colour to the lashes. The special brush features innovative fibres: made up of small, solid and wavy filaments, it allows for better combing of the lashes, captures the mascara and ensures an even distribution that reaches even the smallest of lashes in the corners of the eye. The innovative formula and brush synergically ensure volume and definition.

HOW TO USE

Thanks to the special fibre wand, you can achieve perfectly sculpted lashes in just a few steps. Using small, horizontal zigzag movements, sweep the mascara brush along the lashes until you achieve the desired effect. The volumising effect is instant.

INGREDIENTS (INCI)

Aqua, copernicia cerifera cera, cyclopentasiloxane, cera alba, CI 77499, alcohol denat., palmitic acid, nylon-12, VP/eicosene copolymer, stearic acid, acacia senegal gum, aminomethyl propanediol, glycerin, panthenol, polybutene, phenoxyethanol, polyvinyl alcohol, VP/VA copolymer, polyquaternium-10, ethylhexylglycerin.

PAO DEADLINE

6 Months
