High Definition Lengthening
Mascara

CODE

MKMS04

FORMAT

9,000 ml

DISPOSAL INDICATIONS & CERTIFICATIONS

DESCRIPTION

The Chogan High Definition Lengthening Mascara, enriched with a variety of waxes, gives the lashes a buildable volume-enhancing and fanned effect, for eyes that appear bigger and an extra-glam look. Its creamy texture as well as an intense jet black colour envelop the lashes, which gradually take on a thicker appearance as they are coated; the result is an amazing natural effect. From the very first application, lashes appear longer and thicker: the flexible brush glides onto every single lash, separates and lengthens them, while special film formers aid the lengthening and curling effect. Its special texture applies easily and dries quickly while remaining soft, flexible and comfortable, for a flake-free and smudge-free look that lasts all day. Contains no animal-derived ingredients.

HOW TO USE

With your eyes slightly closed, brush through your lashes from root to tip. Add an extra coat for an optimal result.

INGREDIENTS (INCI)

Aqua, CI 77499, Paraffin, Synthetic Beeswax, Palmitic Acid, Acacia Senegal Gum, Polybutene, Triacontanyl PVP, Stearic Acid, Butylene Glycol, Copernicia Cerifera Cera, Glyceryl Stearate, Triethanolamine, Phenoxyethanol, Hydroxyethylcellulose, Ethylhexylglycerin, DisodiumPhosphate, Polysorbate 60, Sodium Phosphate

PAO DEADLINE

6 Months
