DESCRIPTION

Perfect Hydra Foundation is a liquid foundation with a light texture and velvety finish, designed to perfect the complexion by evening out the skin tone and optically correcting any skin discromia. Characterised by a paraben-free, vegan and cruelty-free formula, comfortable and easy to apply, it is enriched with a series of active ingredients with a moisturising, protective and anti-ageing action: - Green tea: helps fighting free radicals and counteracting the effects of stress and premature cellular ageing. - Active that restores the ideal level of Hyaluronic Acid, stimulating its synthesis: moisturises the skin both in depth and on the surface, making it more elastic, plumped up and smoother. - Poppy Seed Oil: a natural emollient that performs a softening and conditioning action, capable of smoothing and restoring the skin's natural barrier.
