MYTOLOGIK

The power of myth meets the art of perfumery.

Born from the fusion of sculpture and high perfumery, MYTOLOGIK captures **the purest essence of the ancient Greek world**. This brand doesn't merely evoke mythology, but it carves it into the air, bringing legendary figures back to life through **a refined and contemporary olfactory tale**.

The result is a collection of **sculpture perfumes**, iconic in design, unique in essence. Not mere bottles, but **idols that fill the space with timeless stories**.

THE FRAGRANCES

MYTOLOGIK is a collection of **seven original and unique fragrances**, inspired by the most iconic figures of Greek mythology. **Each perfume is an exclusive creation**, born from the expert blend of **rare and precious essences**, carefully selected from **the finest in high perfumery.** Each perfume is the result of in-depth research, designed to turn the virtues, mysteries and dualities of mythical deities into a sensorial journey. Refined olfactory notes intertwine in unexpected ways, giving life to **perfumes that sculpt myth into the air and imprint the strength of an archetype on the skin.**

The exclusive bottle design enhances the experience: classical shapes with a contemporary twist and bold pop colors turn **each fragrance into a work of art to display and collect.**
